

VOLUNTEER NEWS

31 October 2023

There are no limits nor restrictions on what counts for your volunteer contributions to the club. CPCC is **MEMBER OWNED** and **OPERATED** so anything that you do to help is your sweat equity in the club you own. The more time and energy our members can put into the club:

- the more effectively our leagues and programs run,
- the more bonspiels and events we host,
- the bigger impact we make on our community.

The activities you take on to contribute to running the club, should fit your schedule, align to your interests and most of all be **FUN FOR YOU.**

Of course, we always need members to staff the bar and kitchen for leagues, bonspiels, and events ... but volunteering at CPCC can be so much more...
