Happy New Year & Season Midpoint

Welcome to 2024!

We are at the halfway mark of our season and hope all members enjoyed a healthy and happy holiday season.

DO YOU NEED HELP?

Completing the minimum volunteer hours associated to your membership should not be a source of stress or concern. If you don't have a plan to achieve the target, speak with your league volunteer liaison, or convenor, or a member of the Volunteer Committee or the CPCC Board.

We will help you find the right activities that fulfil the requirement and suit your schedule and interests.

Thank you to the many members who have supported our club so far this season and taken the time to submit reports. Over 2500 hours have already been reported but we know that is not the full picture... please continue to report your activities.
